TRAVEL PLAY PEN S2 PLUS
CENTRAL LOCKING SYSTEM

Model Code:
563311
Bloom

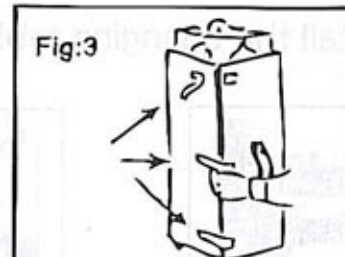

How to open the playpen

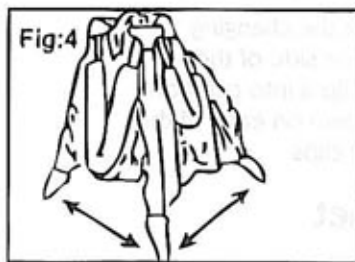

1. Open the carry bag.

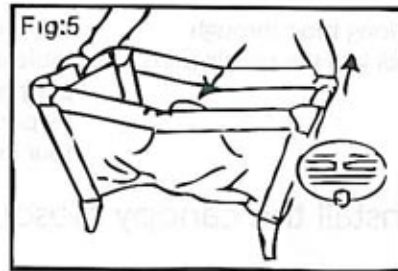

2. Place the playpen on the floor

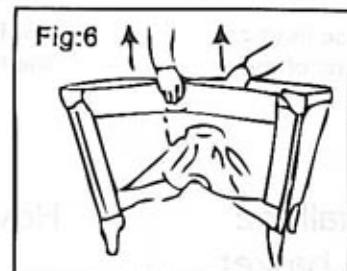

3. Release the velcro tapes of the mattress

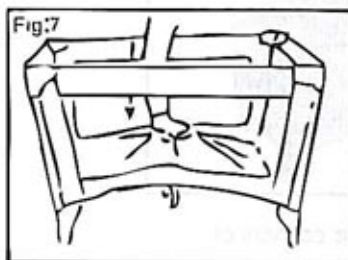

4. Pull up all the four side braces of the body, open the playpen.

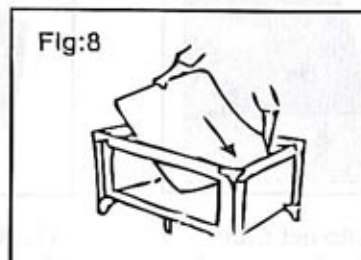

5. Grab the nylon tab in the center of the playpen base and lift upwards.

6a. Take bottom of the short rail, pull upward and securely locked.
6b. Then take bottom of long rail and pull upwards until all four rail are securely locked.

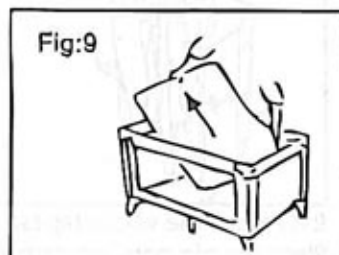

7. Pushdown the central support at bottom until playpen is fully erected and stable.

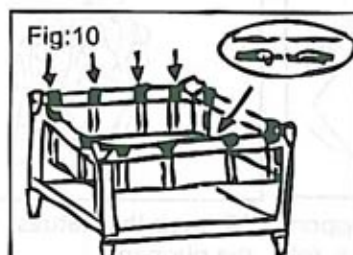

8. Place mattress inside with padded side up.

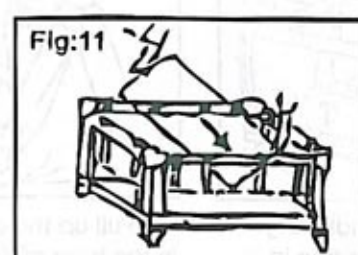

How to install the bassinet:

9. First take away the mattress

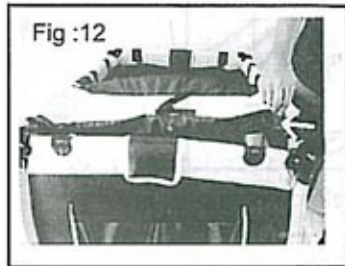

10a. Put all the plastic hooks of the bassinet onto the four railings.
10b. Slip on the 2 tube set into the cover of the decker base.

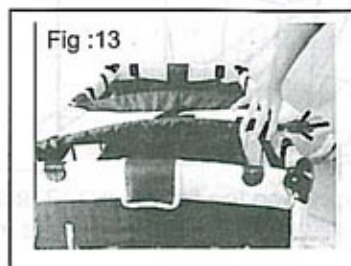

11. Place mattress inside the bassinet.

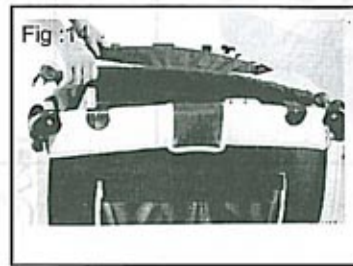

How to install the changing table

12. The long tube must go through the fabric of the changing table

13. Take the long tube through the fabric until join the plastic parts.

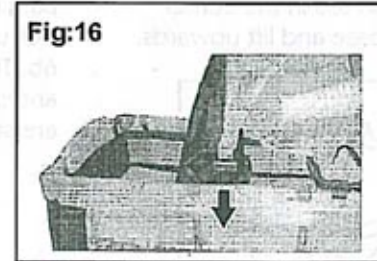

14. Then place the changing table across one side of the playpen and clip it into position by pressing down on each of the four mounting clips.

How to install the accessories basket

15. Place the plastic hook on the basket end side and hang on the playpen short side.

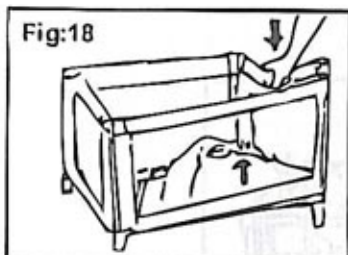

16. Place mosquito net over the centre of the playpen and clip it to both of the long side

17. Stretch the corners of the mosquito net over the corners of the playpen.

How to keep the playpen:

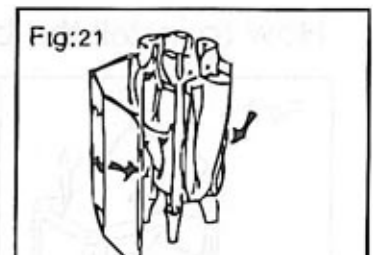

18a. Using the handle ring and turn left 90 degree in the centre of the playpen base then pull vertically up.
18b. Pull up slightly on each top rail and press the bottom which is under the fabric to release the latch.

19. Pull up the central support in the base of the playpen, fold the four braces together.

20. wrap the mattress around the playpen

21. Attach the velcro tapes. Place the playpen into carry bag.
